## OLDEES DINER

Would like to welcome you to take a step into yesteryear.

Oldees Diner, once known as Tant Annie's Diner, was established in 1901 opposite the mine.

The Diner started operating as a canteen for the employees of the mine, the canteen was a small but busy establishment.

Tant Annie's good food and service made the establishment a busier place and therefore she decided to revamp.

Tant Annie privatized the Diner in 1950, changing the Diner from a canteen into a restaurant allowing the miners to bring their families and friends for a quick bite to eat or even a few drinks after a long day at work.

Many years later Tant Annie retired giving the Diner to her Gran daughter Natasha, the diner was then modernized and the name was changed to
